

## Highway Meet At Homewood Next Thursday

Highway at Emerald Bay  
Expected to Be  
Discussed

TAHOE CITY—An open discussion of highway problems, proposed improvements and recommendations for future planning will feature a meeting of the Highway Committee of the Sacramento Valley Council of the State Chamber of Commerce meeting with chambers from Placer and El Dorado Counties at Homewood Resort Thursday, June 25, at 7 p.m.

Everyone interested in the highway program, whether members of the chambers of commerce or not, is invited to attend. Members of the boards of supervisors of the two counties are also expected to be present.

Expected to highlight the discussion from the Lake Tahoe point of view will be the Emerald Bay section of the highway bordering the west shore of the lake, currently closed by a gigantic earth slide which is stumping state and local officials. Two years ago a recommendation was made to the state chamber's highway committee to bridge a portion of Emerald Bay to eliminate the steep grade on which the road now climbs.

Each year this short section of highway presents a difficult problem when it is opened in the spring. This year the situation was greatly exaggerated when a large portion of the hill above the road, softened by prolonged wet weather, broke loose and threatens to bury the road under hundreds of tons of earth, rocks and trees.

The slide prevents traffic from passing along the west side of the lake, although resorts north of Emerald Bay can be reached easily from the north end of the lake and those south of the slide are accessible from the south end.

The visiting delegations, which will present findings to the next meeting of the council and offer recommendations for improvements, will be headed by William Clayton, council manager.

Recommendations of the Placer chamber to be made at the meeting will include four-laning Highway 40 from Newcastle to Auburn and from a mile west of Applegate to Colfax, a total of 12.2 miles. Other representatives will also ask for improvement of the highway from Gold Run to Donner Summit as necessary.

## CUBS FETE DON BRAKEFIELD AT BIRTHDAY PARTY

Donald Brakefield, whose birthday is today, was the incentive for a party following the regular meeting Tuesday of Cub Scouts Den No. 2 in the home of Mrs. Charles Walker, Den mother. The boys received books earned through study and made gifts for Father's Day.

Refreshments made by Mrs. Hugh Wienand were enjoyed and members of the group gave Donald a gift.

Den No. 2 will not meet next Tuesday but will meet at Mrs. Walker's at 10 a.m. Wednesday, June 24, when they will hike out to the home of Mr. and Mrs. Robert Leamon, where they plan to enjoy a noon barbeque.

## PICTURES SHOWN AT ROTARY MEET

Fourteen members and five guests from Loyalton Rotary Club met with Truckee Rotary Club in Donner Lake Lodge on Monday. Messrs. Burdick and Salomoni provided the program, a sports pictures review of 1952. Guests included H. I. Snider and E. J. Kilroy of Nevada City, Robert Wolfe, N. F. Dolley and Oscar Quam of Truckee.

## BRUCE LEAMON IS TWO YEARS OLD

Richard Bruce, youngest son of Mr. and Mrs. Robert Leamon, was feted on June 15 in observance of his second birthday. Gifts were opened and the traditional cake and other refreshments were shared by Patty Alexander, Kathryn, Sheila, Phyllis and Patricia Barrett, Barry and Marcia Leamon.

## BIRTHDATES ARE OBSERVED HERE

Frank Ferina, police chief of Emeryville, was host Sunday at a barbeque supper at Gateway Motel to celebrate the birthdates of his wife, his cousin, Mrs. Vince Anzoletti, and Mrs. Annie Tonini. A group of 15 gathered to observe the triple event and other out of town guests included Vince Anzoletti of Berkeley and Mr. and Mrs. Al Ring and daughter, Yvonne, of Auburn.

## Traffic Over 40 Sets High Mark For Last Month

Truckee last month went into a strong second place among the state's 18 border checking stations as a "port of entry" into California.

According to the monthly report issued by the state department of agriculture, the total number of vehicles checked at the Truckee quarantine station during May was 44,377, compared to 30,270 for April.

The total for May included 40,462 cars, 3,288 trucks and 627 stages, carrying a total of 115,672 passengers.

The only station reporting more traffic than Truckee was Yermo with 53,936 cars and a total passenger count of 143,016. Blythe reported only 29,376 cars, to take third place among the state's border checking stations.

Meyers on U. S. Highway 50 checked 10,662 cars, 383 trucks and 19 buses for a total of 27,394 passengers and ranked 11th among the stations reporting in volume of traffic.

The increase in traffic can be noted in the fact that during May, 1952, Truckee reported 34,577 cars checked, this year showing a 20 per cent increase.

## RED CROSS WILL CONTINUE HERE AS IN THE PAST

Following a conference with officials of the Nevada City Chapter of the American Red Cross last Friday, a committee from Truckee returned with the assurance that the work here would be carried on in the future the same as in the past.

There was some discussion to the effect that the local branch was using more than its share of the funds contributed but after an explanation from the local delegation it was decided this was in error.

Those attending from Truckee included Mrs. F. W. Wilson, Ed Trask, Father P. J. O'Neill, John Ciardella and Mr. and Mrs. Earl Stice.

## SPORTS REEL IS SEEN BY LIONS

A sports reel, featuring a variety of championship events, was shown at a meeting of the Lions Club at Donner Lake Lodge last night by Joe Salomoni, Ray Spicklemeyer and Marsten Burdick, representatives of a liquor concern.

C. R. Heller was program chairman. Other guests included Orval Vaughan, Joe White and Stan Songer Jr. Angelo Besio presided.

## TAHOE CHAMBER MEETS JUNE 26

BROCKWAY—Following the tradition of both parent organizations, the Lake Tahoe-Sierra Chamber of Commerce announces its annual spring membership luncheon.

This will be held at Brockway Hotel on Friday, June 26, at 12:30 and all members, both at and away from Tahoe, are urged to attend this first general meeting of the consolidated organization. Interesting speakers for the day are assured from both the chamber of commerce and outside sources. Members are urged to bring guests.

## OFFICIAL VISIT AT STAR SESSION

Mrs. Robert Buddle, deputy grand matron of the fifth district, made her official visit to Truckee Chapter No. 116, Order of the Eastern Star, Tuesday evening.

Mrs. John Street, worthy matron, and James McIver, worthy patron, chose the railroad as their theme at the banquet table, in honor of Mrs. Buddle. Mrs. Stanley Zwarg, Mrs. Dave Rose, Mrs. J. Patton and Mrs. A. Benjamin composed the refreshment committee.

The July 7 meeting has been designated as officers' night, during which the lodge will honor all visiting officers.

Michael Kaspian, son of Mr. and Mrs. George Kaspian, celebrated his 11th birthday last Friday, June 12.

## Baseball Will Feature Fallon In Local Game

Locals Lose Season Opener  
In Close Contest  
Last Sunday

The lack of a relief pitcher cost Truckee its first baseball game of the season when Fallon edged the mountain men 11 to 10 in the Nevada town last Sunday. The locals, behind the hurling of Burt Munson, had a 10 to 6 lead going into the last of the ninth but Fallon batsmen got to the faltering Truckee chucker for five runs in that stanza.

Going the distance in his first game this year, Munson struck out 13 batters during the game. Ed (Nuke) Freitas led Truckee at the plate with three for four—a home run and two doubles.

The short score: H R E  
Truckee ..... 10 10 6  
Fallon ..... 8 11 7

Local fans will get their first look of the season at the home team Sunday, June 21, at 2 p.m. when Fallon comes here for a return game. The following Sunday, Truckee will meet Verdi on the Truckee diamond, according to manager John Rau.

## X-RAY UNIT IS DELAYED; NEW DATE IS ASKED

There were scores of disappointed people in this area yesterday when the mobile x-ray unit for the California Tuberculosis and Health Association was unable to arrive due to mechanical difficulties.

The unit sponsored by the Nevada and Placer Counties associations was due in Truckee yesterday but Mrs. Rex Reid was notified of the unfortunate occurrence.

Mrs. Reid announced she will visit Nevada City tomorrow and hopes at that time to have a new date scheduled.

## SHARON PACE IS NEW HEAD FOR SUNSHINE GIRLS

Sharon Pace was installed Royal Princess as head of Donner Council No. 13, Pythian Sunshine Girls, at their regular meeting last night in Odd Fellows hall.

Others officers installed were Nancy Marquis, Charity; Janice Gray, Friendship; JoAnne Allen, Royal Prelate; Joan Stallard, Royal Exchequer; Donna Songer, Royal Recorder; Janice Nottley, Royal Guide; Judy Vaughan, Mystic One; Dorothea Frey and Shirley Kohl, Royal Warders; Pearl Heller, Royal Advisor. Banner girls appointed were Nancy Kaspian, Christi Lander, Janet Allen, Arlene Copeland.

The occasion was also the first anniversary of the council and charter night. Refreshments were served after the meeting.

Installing officers were Ruth Osburn, Marie Osburn, Donna Songer and Icolene Kohl.

An added attraction at the Pythian Sisters Temple 79 pot luck dinner last Friday evening was the first drill team exhibition by members of the Sunshine Girls, executed perfectly. Cub Scouts of Den No. 2 also put on the Indian skit "The Hungry Tribe."

## LAWN PARTY FOR CAROLYN VAUGHAN

A lawn party Sunday afternoon was given by Mrs. Orval Vaughan for their daughter, Carolyn Ann, who was five years old June 14. Moving pictures were taken during the affair, the children playing until the little girl opened her presents and blew out the candles which topped her cake.

Included in the party were Dawn Maynard, Mrs. Lester Braasch and daughters Kathy and Leilani, Mrs. John Street and daughter Cathy, and Mrs. Charles Kay and daughter, Liane.

## Vacation Over—

Mr. and Mrs. E. A. Lloyd and sons returned this week from a vacation in Sacramento and other points.

## Sun Beams

by WALTER BARRETT

The Johnson Sierra Highway bill establishing a \$20,000,000 matching fund for construction of an all-weather four-lane military highway over the Central Sierra now awaits the signature of Governor Earl Warren before becoming law. The action of the state assembly last week in passing the bill culminates a lot of hard work, planning and personal effort by hundreds of people representing numerous chambers of commerce, clubs and other organizations. While the bill did not designate any particular route for the proposed highway, it has long been the consensus of opinion that Highway 40 is the logical choice. And the signature of Governor Warren would not necessarily mean that the highway will be built immediately, but it does indicate the desire of the people of California and should receive the support of the Federal government. At any rate it is a long step in the right direction and the Sierra Sun joins in extending congratulations to the many chambers and individuals for the part they played in supporting Senator Johnson's bill, thus bringing closer a realization of a project so very vital to northern California, the west coast and the nation as a whole.

## NEW MINISTER ARRIVES HERE

Rev. Sidney C. Winston, with Mrs. Winston and their two daughters, Vera Mona, 5, and Susan, 8, arrived from Fresno this week, to replace Rev. A. A. Carmichael as pastor of the Community Methodist Church and he will also conduct services at Kings Beach.

Rev. Winston has been engaged in missionary work among migrant workers, Truckee being his first Methodist pastorate since 1939. He is a veteran of World War II, having served in the Pacific Theater.

Rev. and Mrs. Carmichael are leaving this week for their new assignment at Point Arena.

## PINBALL MACHINES ARE NOW LEGAL

Beginning August 9, pinball machines will be legal in Nevada County.

An ordinance passed recently by the board of supervisors repeals two previous ordinances which prohibited the possession of the contrivances. Crofford W. Bridges represented the petitioners asking repeal of the former ordinances and said he was acting "principally for people around Truckee—up-country people who found that there was some question of the legality of pinball and amusement machines although these were specifically exempted by state law."

The repeal vote was unanimous.

## DONLAC LODGE SCENE OF PARTY

Mr. and Mrs. Louis Landry entertained at a dinner party given in Donlac Lodge Coffee Shop on Tuesday evening in honor of Miss Eunice Naramore, who celebrated her birthday on June 16. Guests included in the pleasant affair are Mr. and Mrs. Cecil Crolley, Mr. and Mrs. Chester Burns, Mrs. F. Stenfield, Mrs. Bernice Smith, Mrs. Hal Gilson, Miss Barbara Mathis and Miss Lenore Arnold.

## S.P. OFFICIALS HERE

Fred E. Watson, general passenger agent from Oakland, and J. H. Mahan of Reno, district freight and passenger agent, both officials for the Southern Pacific Company, were conferring here yesterday with Earl Stice, Truckee agent, and looking over the Lake Tahoe area.

## Payen Here for Summer—

E. E. Payen has shipped his livestock from Folsom to Sardine Valley for the summer. Mrs. Payen will arrive next week to occupy the family's home here.

## Fireworks For Donner, Tahoe, To Feature 4th

Chamber Sponsors Program  
Here, 20-30 Will  
Assist

Final preparations for the program and fireworks display to observe Independence Day on July 4th will be discussed at a meeting of the Truckee Chamber of Commerce next Tuesday evening at Brown's Cafe, Cliff Ellis, chamber president, announced.

The fireworks will start at 9 p.m. at the west end of Donner Lake and the committee, headed by Rex Reid and Earl Stice, reports a greater volume of fireworks than last year will be displayed.

Following the fireworks, a free dance will be staged on the pavilion and everyone is invited to attend. No charge will be made for attendance.

The Truckee 20-30 Club will have the concession this year and will serve hot dogs, coffee and cold drinks. The proceeds from the concession will go to a worthy local project.

**Parking Lot**  
A report on the progress of the proposed parking lot in the rear of the main business section here will also be made at Tuesday's session, Ellis said.

**TAHOE CITY—**The Tahoe City Volunteer Fire Department is sponsoring a gigantic fireworks display at Tahoe City at 9 p.m. July 4th and everyone is invited to attend the program.

## BRIDAL SHOW FOR WYETHIA CLUB PLANNED

Members of the Wyethia Club will model bridal gowns of passed years at the meeting to be held at 8 p.m. Friday, June 19, and guests of the affair will be members of the Women's Club of Tahoe.

Decorations will be in white, following the idea of the evening. Mrs. Charles Heller, Mrs. Elizabeth Bavier, Mrs. Edythe Deaton, Mrs. Rex Reid and Mrs. D. Horman will be in the receiving line.

Janet Allen and Nancy Kaspian will be the candle lighters. Rosalie Kaspian, Joanne Allen, Carol Ann Quilici will be junior bridesmaids while the bridesmaids will be Miss Dorene Quam and Miss Alberta Cooper. Vicki Firpo will act as flower girl.

Mrs. Earl Stice will be heard in two vocal selections, accompanied by Mrs. Jack Wolert who will also play the wedding march. Hostesses at the reception to follow the revue are Mesdames C. B. White, Robert Buddle, Augustus Benjamin, I. Firpo, N. Quilici, Glenn Lee, Walter Loynd, Fred Pedley. The latter will also preside at the meeting.

## TAHOE HOME HIT BY LIGHTNING

TAHOE CITY—Lightning during a storm at Tahoe City Tuesday struck the house of Mr. and Mrs. Robert Pomin, following the course down to the bathroom where it knocked the medicine cabinet from the wall, breaking glass and scattering the contents. The electrical system in the house was damaged, a light globe at the top of the stairs was knocked to the bottom when the bolt occurred at 1:50 p.m. The fact that a fire did not follow the unusual happening was considered most fortunate by the couple. Mrs. Pomin was reported to have been at home at the time.

## EYE HURT

TAHOE CITY—Gerald Waters has returned home from a Reno hospital where his eye was operated on after being hit by a piece of cement. It is necessary for him to wear a patch over the injured member until healed.

## Back from Sacramento—

Mr. and Mrs. Daven Morey were weekend visitors in Sacramento. They returned with their children who had been visiting relatives in the capital city.

## Accident Banner Is Installed Here By Womens Club

A traffic highway flag has been erected in the Southern Pacific Company right of way near the depot, where different flags will be hoisted according to the records of the state highway patrol.

Mrs. Fred Pedley, who is heading the safety campaign for the Wyethia Club, said that a white flag will fly when there have been no accidents, a red flag indicating an accident and a black flag with skull and cross bones will be seen when a fatality due to an accident has been reported.

A sign on the pole will give the details of the occurrence.

The flag yesterday bore the ominous black flag, indicating the accidental traffic death of Richard Albert Haddy, details of which are recorded in another column of this newspaper.

## POLLUTION BODY TO HOLD MEETS IN THIS REGION

The Lahontan Regional Water Pollution Control Board will hold their 13th regional meeting in the North Tahoe Public Utility District office at Kings Beach, Lake Tahoe, on June 25 at 9 a.m. The members of the board are C. A. Scholl, chairman, Death Valley; Cecil Edmunds, Truckee; Dr. Victor H. Hough, Lone Pine; Thomas W. Ogilvie, Susanville; George R. Seals, Victorville, and J. T. Leggett, executive officer.

Problems of sewage disposal in the San Bernardino Mountains will be reviewed at this meeting. Also, there will be a brief review by the board of the sanitation problems in Nevada County.

On June 24 at 10 a.m. a meeting will be held at Donner Lake Lodge by this board and the people of that area to discuss the development around Donner Lake insofar as water pollution problems are concerned.

An invitation is extended by the board to all persons who are interested in attending these meetings.

## SWIM CLASSES START MONDAY

Weather permitting, the scheduled swimming classes sponsored by the Tahoe - Truckee Unified School District and the Red Cross will get under way Monday, E. V. O'Rourke, district school superintendent, announced.

The lessons will continue through July and possibly into August.

Classes for the North Tahoe area are scheduled for Mondays and Wednesdays and for the Truckee and Donner Summit area on Tuesdays and Thursdays, with advanced classes for Truckee and Donner on Friday.

## LAWRENCE ROWTON RECEIVES DEGREE

Among the 2240 receiving degrees from Stanford University on Sunday was Lawrence Robert Rowton of Soda Springs. Rowton received his Master of Science degree in electrical engineering from President Wallace Sterling. He is the son of Mr. and Mrs. Ralph Rowton of Soda Springs.

## COLUSA COUPLE OPEN RESTAURANT

DONNER LAKE—Mr. and Mrs. Charles Best of Colusa have opened their recently acquired Donner Lake Coffee Shop and are now serving meals. They are assisted in the operation of the new establishment by their daughter, Miss Melva Best.

The Bests are experienced restaurant operators.

## LANGILLE NOW MANAGES RASCO

H. T. Langille has taken over the management of Rasco for the time being at least.

The death of Cecil Clepper last week left a vacancy at the store. Langille, widely known Truckee businessman, who retired last year after years with the Mountain Rotary Fuel Company, accepted the position.

## One Killed By Auto Accident Near Truckee

Driver is Cited Following  
Head-On Collision  
Near Here

One man is dead and two others were injured, one seriously, as the result of a head-on automobile crash two miles east of Truckee on Wednesday morning at 6:30 o'clock.

Richard Albert Haddy, 46, formerly of Sacramento but more recently living at Nevada City, died of a fractured skull and internal injuries when cars driven by Frank Terrill, 48, Sacramento, and George Sage, 26, Oakland, crashed head-on. Haddy was a passenger in the Terrill car and was going east.

Terrill is in the Tahoe Forest Hospital with a fractured left hip and other major injuries and Sage suffered only minor hurts, according to Dr. George Hahn, who is treating the injured.

The Truckee Colonial Mortuary took charge of the body and contacted a daughter living at Colfax. A brother of the dead man resides at Nevada City where his family is well known.

State Patrolman Martin Sturcke made the investigation and said he would cite Sage for being on the wrong side of the road, driving without due caution and not having his vehicle under control. Sage had been visiting in this area for the past several days, Sturcke said.

**Over Bank**

James Justin Hogan, 31, Oakland, spent nine hours in his car below the grade near Kiski Lodge last Wednesday night after the vehicle went over the grade. Hogan was taken to the Tahoe Forest Hospital with scalp injuries and cuts.

Hogan told Patrolman Sturcke that he was driving to Oakland from Reno when the accident occurred but Sturcke said the car was headed in the opposite direction. He was cited for improper registration and not having his car under control.

He was taken to the hospital in the Truckee Ambulance Thursday about noon after he managed to get back up on the highway.

## TEHAMA SUSPECT CONNECTED WITH DONNER THEFTS

While bloodhounds and posses were scouring the area near Red Bluff in Tehama County for two men believed to have looted a dozen summer homes in that area, a man identified as Ralph East, 22, was coily quartered in the Truckee bastille where he was held on a charge of burglary.

East was captured last Wednesday night by Otto Frederick of Norden Store as the former emerged from the Sierra Club. Frederick held the suspect at gun point and summoned Deputy Sheriff Roy Waters and Constable N. F. Dolley from Truckee.

At first, according to local officers, East denied being implicated in a series of 17 burglaries on Donner Summit recently but later admitted, Dolley said, to entering "seven or eight places."

Later, Dolley said, he escorted the suspect to the summit where a suitcase, filled with items believed to have been from the looted homes, had been cached.

East was taken to Nevada City where Sheriff Wayne Brown questioned him in connection with the Tehama thefts and, the sheriff said, East admitted participation. His companion had not been located.

The homes at Mineral in Tehama County were looted and Sheriff Wayne Kranig employed bloodhounds to engage in the search. In the meantime, East and his companion had allegedly left the region. They are suspected of robberies in the Oakland area as well as the Tehama and Donner burglaries.

Waters said East admitted a criminal record.

## HERNANDEZ ARE PARENTS OF SON

Mr. and Mrs. Joe Hernandez became the parents of a 7 pounds 15 ounce son, born in the Tahoe Forest Hospital Thursday, June 11. Their fourth child, the boy has been named George. Dr. George Hahn was the attending physician.

## RETIRED FIRE CHIEF PASSES AT TAHOE

The Truckee Colonial Mortuary Sunday shipped the body of Cecil Weeks, 53, retired fire chief of Spokane, Washington, to that city for funeral services. Weeks, visiting with friends at Kings Beach, was stricken ill Saturday and pronounced dead upon arrival at the Tahoe Forest Hospital. Recently Weeks has been in Guam.

### LAKE CHAMBER HOLDS MEETING AT KINGS BEACH

TAHOE CITY—The second of a series of group meetings to be held at various points around Lake Tahoe, took place at a luncheon meeting in Kings Beach last Friday. These meetings are designed to bring all business men of the region into the Lake Tahoe-Sierra Chamber of Commerce under their individual classifications.

At this meeting Tom Armstrong, chairman of the membership drive, said in the course of his talk, "A chamber of commerce is co-partner with business in its area" and he asked that everyone present solicit three other potential mem-

bers. Fred Main, chamber president, stressed the need of a lake-wide membership to provide more funds for promotion. Mrs. Carol Raymond, secretary-manager, told of the increasing mail inquiries for various types of information and also displayed samples of the chamber's advertising. (ejv)

#### CLAM'S HINGE

When living in its native habitat, the hinged side of the Pismo clam is always pointed toward the surf.

#### COAST GUARD

### \$300 FINE LEVIED FOR FAILURE TO DISPOSE OF SLASH

TAHOE CITY—John D. Breckenridge of Reno was fined \$300 in justice court here Friday. The complaint was signed by C. S. Beavers, forest service officer, charging failure to burn logging slashings. Two-hundred and fifty dollars of the fine was suspended providing the defendant complete the burning by July 15.

With that part of the man's case disposed of, Judge Harry Harrison reminded the defendant of a motor vehicle citation of April 5 on which he failed to appear. The judge fined Breckenridge \$10 for each of the two months that he ignored this citation and upon a plea of guilty for failure to provide mud flaps on his logging truck, he was fined an additional \$25. (ejv)

### TAHOE ROTARY VIEWS MOVIES

TAHOE CITY—Members of the Tahoe City Rotary Club at noon Tuesday enjoyed a colorful and exciting movie program on outstanding sports events. Bill Connors and Bill Becholt provided the program.

In the absence of President Dennis Sach, President-elect Howard Guth presided at the meeting in Tahoe Inn. There were 23 club members, four visiting Rotarians and five guests present.

Rotary District 164 will hold a three-day conference at Hotel Auburn June 24, 25 and 26. Each of the 38 clubs will send its officers-elect for instructions in preparation for the general installation of officers July 1. Guth and Sach will attend for the local club. (ev)

According to the April 1950 Census of Agriculture, California had electricity on 124,568 farms.

### C. DON HUFFS ENTERTAIN MANY AT HOMEWOOD

HOMEWOOD—Mr. and Mrs. C. Don Huff were hosts to a group of friends over the weekend at their Homewood Resort. Included in the group were Messrs. and Mesdames Harold Lamoree, C. D. Bouton, Ray Cox, H. V. Traynham, Kenneth Laugenour, Daryl Blevins, M. G. Weider, Mrs. Margaret Best and Mrs. William Baird and the Robert Brown family, all of Woodland; Mr. and Mrs. A. W. Holtman of Marysville.

The Homewood Resort dining room is again open for the season with Chef Wing Yee back for his 23rd year presiding over the ranges. Mrs. Merle Miller is back for her eighth season as custodian of the Snack Shack while her husband will again officiate over the books and accounts. Carl Schmidt, veteran painter, is another familiar personage at the resort.

Mary Benn of Burbank, who annually spends her summer bicycling over the country, arrived at Homewood last week from Marysville after a 100 mile ride from the Feather River area that day.

### MARY KORICH WEDS IN CAPITAL

Miss Mary Korich became the bride of Thomas Hatton last Friday night in the First Baptist Church in Sacramento, before 200 guests. The bride was given in marriage by her brother, John Korich.

Ushers were two other brothers of the bride, Mike Korich of Sacramento and formerly of Lake Tahoe, and Stephen Korich of Lake Forest, Lake Tahoe.

The just-weds will make their home in Sacramento following a honeymoon.

### GOVERNOR URGED TO SIGN BILL TO BUY TAHOE ACRES

SACRAMENTO —(C.N.S.)— A drive to have Governor Earl Warren sign SB 1953, the measure which provides for state purchase of additional park area at Emerald Bay, Lake Tahoe, was underway today.

Senator Swift Berry of Placerville, who introduced the bill, submitted arguments to the governor requesting his signature on the bill, which provides for the addition to D. L. Bliss State Park.

"Emerald Bay," Berry told the governor, "is one of the beauty spots of the California Sierra and desirable for park purposes. The area involved is about 770 acres, surrounding the bay, and including the island in the center."

"The present D. L. Bliss State Park adjoins the bay on the north-east and the new area will double the camping space of the park. The bill limits the area at the crest of the ridge on the south of the bay, so that an excessive amount of private land will not be removed from the tax rolls."

Funds for purchase of the area are available in appropriations for beach areas and interior park areas, Berry said. Cost of the state's purchase would amount to approximately \$700,000.

"Matching funds are not available," said the Placerville senator, "and the bill removes the matching requirements for this one purchase."

#### HOT MULLED WINE

Hot mulled wine was enjoyed by the English in the 16th century and has remained a popular cold-weather drink since.

#### BRIDGE ANCHORAGE

The steel and concrete anchorage of the San Francisco-Oakland Bay Bridge rises 502 feet from the rock floor of the bay.

### NEAR DISASTER AFTERMATH OF SUMMIT PROWLER

by FRAN COUILLARD  
Highlights on the Kingvale Incident — operation prowler:

The 17 homes that were awkwardly entered in the Kingvale Tract via busted window, jimmy and jack, brought up an irate bunch from westward which culminated in a meeting where the thief and prowler, under question, admitted his guilt and displayed his loot which consisted of such items as bathing trunks, old jeans, a cap pistol, a machete knife and such.

Helga and Duncan Gillies were some of the first home owners of the tract to buck the deep snows still lying in the shady spots. For exercise, the Gillies and son Bob decided to stroll in the evening's dusk and their wanderings took them across the river dividing the Kingvale subdivision. Coming upon fresh footprints, which they discovered their uninvited visitor followed, they were the first to and open doors and windows in all of the over-the-river houses caused them enough alarm to send for the sheriff.

George Kalleg of San Francisco was not at all flattered that the prowler had picked his cabin for his lair, even after stating that the Kalleg cabin was "the nicest," for the small time Juquin Murieta had turned up to its highest an electric two burner plate and left it turned up "to keep warm." Fortunately, Kalleg must have had a premonition for he had not intended to come to his cabin for another week or so to open up for the summer. Imagine his surprise when he found his cabin "nice and warm" with the wood and linoleum under the hot plate burning away merrily. Another hour or so and the Kingvale Tract could have been a pyre for the hopes of those seeking the Kingvale coolness.

The "Belles of Kingvale" who own the "Flood Building" which has been anchored solidly against the Yuba's inrush through their

building, hurried up the mountain side to find their bacon, eggs, Coca Cola, alcohol and mixes, jelly and jeans moved into Kalleg's cabin and broken windows many.

Mr. Riley—another Kingvaleite—"broke down" the busy intruder as to his Kingvale activities and made him reverse his denial when he found his shoes on the feet of the intruder. Thereafter, we understand, the burglar took the indignant Kingvale folks on a "tour of inspection" and showed them his progress from cabin to cabin. By the by, the burglar was the same that had decided to move his scene of operation from Kingvale to Norden, which was his undoing for there he was apprehended. Art Couillard's mention that it might be the same fellow brought the powers that be from Truckee with the prowler—and thereupon Mr. spotted his shoes and the "tour of inspection" began.

### SHOE REPAIR by Experts

Good shoe repair requires expert workmanship and high quality materials. That is what you get at Truckee Shoe Shop; plus the saving you make on the reasonable low rates.

One of the most important factors in getting the most wear from your shoes is to make sure that the repair work is done as soon as it is needed. The cost will be less and you'll get a better job. Don't put off shoe repair!

## TAHOE TOPICS

by ETHEL J. VERNON

There have been many old friends and neighbors and some folks whom I'd never met before who have dropped in or written in the last couple of weeks to say how much they've liked my efforts to pass on to them as much Tahoe news as possible. To all you kind people who have taken the trouble

to say these nice things, I just want to say, "Thank you. I appreciate greatly your friendly appreciation and because of it I am encouraged to go on doing my best."

Following is a very interesting letter contributed to this column by the Howard Guths of Tahoe Lodge. It was written to them by the Victor Wikanders from Finland, where they are vacationing: "Finland is so filled with ideal

resort spots that one is constantly reminded of Tahoe. We spent a week here in Hellsink, then started on a circular tour of Finland. It was enjoyable in that we had a chance to get a good idea of the entire country. It has countless lakes and islands, miles of endless forests, and some spruce and white birch with new green foliage. We have been most fortunate in weather—the finest May in years. In fact we think it much warmer here than at home. The trains and roads could be improved, but due to our remaining on that rough road to Buck Island, we were able to stand this trip. After a few days in Hellsink we are going to Abo, Victor's birthplace. Then we will take a boat to Stockholm, via Gate Canal, Norway and the Fjords, and then home to get ready for Tahoe. We trust you are both well and ready for another good summer. Love, Victor and Alice."

Three Tahoeites are recuperating nicely in their homes this week after as many sieges of ill-

ness or injury. Mrs. Jeannette Mitchell is doing her best to keep off a badly sprained ankle which she sustained while at a dance Saturday night. Ed Pemberton is back in his Tahoe Pines home after a few days in the Tahoe Forest Hospital. Physicians advise complete rest and quiet for some time to come. Kathy, small daughter of Mr. and Mrs. Bill Conners, is fast recovering from an ailment which kept her in the hospital for a few days during the past week.

Mrs. Vivian Sabonge of Sacramento has been visiting her father, J. E. Pomin of Idlewild, for the past few days. She said a recent letter from her son, Dick, stationed with the USS Brinkley in Korean waters, gave disquieting details of his daily occupation of firing a large artillery piece from the bow of his ship. He said that bombs fall around him constantly but luckily none had made a hit so far. He is in the midst of his second duty tour in Korea.

On Saturday evening a family reunion and birthday party was given at the A. M. Henry home in Tahoe City, honoring jointly the birthdays of Al Henry Jr. and his uncle, Fred Planett, as well as the occasion of his sister's, Mrs. Pat Griswold, visit here from her home in Washington, D.C. A huge birthday cake was served with the elaborate dinner and an evening of television was enjoyed. Family and close relatives present included the hosts, Mr. and Mrs. A. M. Henry, Mr. and Mrs. Al Henry Jr. and children, Mrs. A. M. Henry's mother and brother, Mary R. and Fred Planett, a sister and brother-in-law, Celeste and Vern Daniels, Mr. and Mrs. Carl Wheat, Mrs. Griswold and her small daughter, Mary Tabor. Pat left for her eastern home by air Sunday, leaving her daughter to visit with her grandparents for a few weeks.

At the home of Mr. and Mrs. Wm. Becholdt over the weekend houseguests were Mr. and Mrs. Ned O'Laughlin of Pasadena and four children. O'Laughlin is Mrs. Becholdt's brother.

Fred Ichelson Jr., Tahoe Tavern manager, arrived here for the summer June 15. He had sent a crew of workmen to the resort on the 10th to make preparations for the official opening, scheduled a week from this Friday.

Mr. and Mrs. Bob Watson, now settled again for the summer in their mill cottage, have again rented their Tahoe City place "Edge Cliff" to "Huskey" Hunt of southern California, who is expected here this week to open the place for the season.

Mrs. Wm. Bosen, who resides here with her parents, the S. O.

Sholands, has been employed here for the summer at Donaldson's Cafe. Last week she visited her home in Concord and attended the graduation of her daughter, Belvo. Her husband and both daughters returned with her on the weekend. Bosen will return to his work in Concord after a short visit while the daughters, Belva and Resetta, will remain here for the summer.

Carol Mae Russell of Nampa, Idaho, arrived here Tuesday to spend the summer. She will be employed at Conger's Cafe.

Mr. and Mrs. Sherwood Prusso of Paramount, Calif., visited in Tahoe City over the weekend. Sherwood is a former Tahoeite who spent his early school days here.

Clarence Breuner, in for the season with his family, is practically a life-long summer resident here. He recalled this week the summer of 1907 when Tahoe weather, he says, resembled the present summer.

Mr. and Mrs. Henry Aldrich of Riverside, with their two sons, are at their lakeshore home for the summer. Mrs. Aldrich is the former Helen Towne, who has been a long-time summer resident here.

Mrs. J. B. Metcalf of San Francisco drove to her Rubicon Park home this week for the summer. She brought with her a station wagon load of flowers and shrubs to be planted in her Rubicon gardens.

Mr. and Mrs. Carl Becholdt Sr. left here Sunday for a motor trip to the San Joaquin valley. They planned to stop off on the way for a short visit at Folsom. During the past week here the Becholdts have entertained as their house guests the following friends: Mrs. Lloyd Delgado, Los Angeles; Miss Pat Carrel and Elyse Shopp, San Francisco; Mrs. Nell Smith and Lorraine Breckenridge, North Hollywood.

At the Griffith and Ash summer home, "Agea," this week are Miss Alice Griffith and Mr. and Mrs. Wm. Grant of San Anselmo.

Mrs. Mary Tate, who became a resident of Tahoe City a short time ago, now has with her for the summer her daughter, Mrs. Jerry Nelson, who will be employed at Tahoe Tavern through the season.

Mrs. Clark Pier of Arcata is visiting this week at the Edwin Stoll home on Dollar Hill. She is the former Anne Stoll.

Squaw Valley will officially open for its summer season this Friday, June 19.

Two bus loads of Yuba City high school students spent their 8th annual two-day excursion here Sunday and Monday. They attended a show in Truckee Sunday night and toured the Tahoe region Monday, leaving for home Tuesday morning. Forty of the 75 member high school band, under the direction of Wilson McRae, treated Tahoe City to a street concert, standing with their instruments under the Big Pine in the highway. Outstanding in the concert was a triple-tongue trumpet solo by student Norman Tyler.

**ORDINANCE NO. 10**  
Donner Summit Public Utility District  
**AN ORDINANCE FIXING THE AMOUNT OF MONEY NECESSARY TO BE RAISED BY TAXATION, 1953-1954**

BE IT ENACTED by the Board of Directors of the Donner Summit Public Utility District, Nevada and Placer Counties, California, as follows:

1. It is hereby determined that funds are needed to carry out the objects and purposes of the District which cannot be provided for out of revenues, and, therefore, a tax shall be and it is hereby levied for the payment of the expenses of the government of the District, including salaries, office expenses, and other necessary disbursements thereof.

2. The amount of money necessary for said purposes for the fiscal year, 1953-1954, is deemed to be Seventeen hundred dollars (\$1700.00) and said amount is hereby fixed as the amount necessary to be raised by taxation.

3. The rate of taxation for the purpose of raising said moneys is hereby fixed at fifty cents (.50) per hundred dollars of assessable property in the District.

4. A certified copy of this Ordinance shall be delivered to each, the County Auditor and the County Treasurer of Nevada and Placer Counties.

CHARLES VIND,  
President of the Board of Directors of Donner Summit Public Utility District.

Attest: JOHN I. JOHANSEN,  
Secretary of the Board of Directors.

I hereby certify that the foregoing Ordinance was adopted by the Board of Directors of the Donner Summit Public Utility District at a regular meeting thereof held on the 5th day of May, 1953, by the following vote:

AYES, and in favor thereof, Directors: Charles Vind, S. Charles Secco, Kirby Schull, John Johansen

NOES, Directors: None

ABSENT, Directors: None

HELEN McCARTY, Clerk of the Board of Directors.

APPROVED: CHARLES VIND  
President of the Board.

## Heard About the Electric Weather Predictor?

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "Slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting

the weather over the radio—just like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more inside information than you can get for yourself. Like those who "know" cider is the only thirst-quencher after a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

# CLERICS TELL OF FOREIGN TRAVELS

TAHOE CITY— Father P. J. O'Neill, pastor of the Assumption Church at Truckee, told members and guests of the Tahoe City Rotary Club of his European travels last year at their June 9 luncheon meeting at Tahoe Inn. The priest told of his five months trip to his native Ireland, thence to England

and France. His friend, Father Smith, spoke on his four years in Canada.

Harry Johanson reported on the progress of the project for improving the appearance of the Tahoe City cemetery. Visiting Rotarians were Jim Bailey, Reno; W. Randall and H. E. Brooks, Brockway; Chet Hendricks, Walnut Creek, D. Huff and Bob Griffith, Woodland; Basil Kehoe Sr., Lodi.

How to make good telephone service even better...

When you're tempted to make one call after another...

...arranging a graduation party, for instance... remember, someone may be trying to call you. So why not give him a chance to get through to you. It's always a good idea to wait a few minutes after each conversation... before going on to the next. That way, people have a better chance to get you... instead of a busy signal.

this handy free booklet... keeps your out-of-town numbers, as well as local numbers, always at your fingertips. To get your free copy, just telephone, send a postcard, or drop in to your nearest Pacific Telephone business office.

# POLLUTION BODY IS SELECTED TO STUDY DISTRICT

A county-wide committee to study sanitation and water pollution in Nevada County will meet here June 29 with J. S. Gorlinski of the state water pollution board, for a preliminary discussion of the county's growing sanitation problems.

Appointments to the committee were made Monday, by three county supervisors from the areas most concerned with sewage and water contamination.

Supervisor John Frank of the Grass Valley district named Otis Ogden and M. A. Benedict to the committee. Supervisor Curtis Clark announced George Legg and T. S. Davey will represent the Nevada City area and Supervisor Henry G. Loehr of Truckee reported James Sherritt will represent the Donner Summit section and Rex Reid will be the committee member from the Truckee section.

Loehr said one of the first problems to be submitted to the group will be a study of the advisability of setting up a county health department, the hiring of a full-time sanitarian or the establishment of a strong zoning law controlling water and sewage practices.

He urged the appointment of the committee announced by the supervisors.

# KINGS BEACH HOLE IS UP FOR TAX SALE

KINGS BEACH— A king sized hole is coming up for sale for delinquent taxes June 23 as the state has authorized the county to sell ten lots at Kings Beach. The hole, situated on lots 35 through 46, Block P, Brockway Vista, is approximately 15 feet deep, 60 feet in width and approximately 200 feet long. It was created when gravel and stone were excavated for construction of the Tahoe City-Kings Beach highway.

The hole has long been considered a hazard by local residents.

Details of the bidding and sale are available from Arthur Bronnan, Placer County tax collector at the court house in Auburn.

# LOWER THAN AVERAGE

County Assessor Lloyd Geraldson said that the Placer County Taxpayers paid an average of \$4.26 on each \$100 of assessed valuation in 1952-53 as compared with the statewide average of \$5.72. The county is one of 40 in California having a tax rate lower than the state average of tangible property, figures prepared by the state board of Equalization show, according to the assessor.

# My Place In the Sun

by DOUG BARRETT

Sorry I wasn't around the last couple of weeks...for those of you who didn't already know, I had mumps...for those who expressed sympathetic interest, my sincere thanks...Getting out and about again I note a few changes along the block...with most of the over the curb neons being swung inward over the sidewalk...conforming with the division of highways edict...A new glimmer added to the "Little White Way" with the tall neon in front of Brown's Cafe...Bill "Antique" Porter last Saturday night began his engagement at the console of the organ...nightly at Donner Lake Lodge...The removal of the display window at Loynd's Truckee Drug gives more light within and a better view from without...and from the latter vantage, one can observe that Maggie Copeland

is taking a shift behind the fountain...Something new at the post office...between the service windows displayed under glass are the latest in commemorative postage stamps...While paying our bill at the Truckee Public Utility office, we take note of Winifred Kamp's indoor garden...consisting of numerous varieties of African violets...ranging in shades from pink to deep purple...the latter a rare species of "doubles"....The window at Curran Distributing with a summer note...with the big doll changed to a water skiing bathing girl...white caps and all...Auld acquaintance being renewed Sunday...as Jimmy McLeod from Benecia and Leo Cardinal from Carson City join a group of locals in front of Goodfellow's Coffee Shop...Pete and Les Lazzari freshening up the ground story of the Donner Hotel with a new coat of paint...Pete says the family will soon be moving back into their house on Church Street...Lucille Davis brought a beagle pup up from Fairfield for the Cliff Ellis family this week...another beagle fancier in our midst is Sgt. Frank Smith of the highway patrol...Tom Grow has taken over the Fontana's Laundry route recently serviced by Lewis Cummins...who with his family has departed for greener pastures...The grounds at Truckee elementary school in an upheaval...as Contractor Charlie Warner begins work on the new classroom addition....

The greatest known depth of the Caribbean Sea is 23,748 feet.

**MOUNTAIN LIONS**  
A total of 46 mountain lions were bountied during April, in addition to 689 lesser varmints which were taken by California state fish and game hunter-trappers. Ten of the lions were taken by state hunters, the balance by "freelancers" whose bag probably was saved up for several of the winter months, according to Geo. D. Seymour, supervising trapper. Eight of the lions were found in Kern County, two in Mono County.

You can drive this bargain for only \$2525

—the new 1953 Buick SPECIAL

2-Door, 6-Passenger Sedan

Model 48D, Illustrated, DELIVERED LOCALLY

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

WE present this eye-opening news for good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for the price proudly headlined here.

But there's more to this great

automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's wallowing big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air

THE GREATEST BUICK IN 50 GREAT YEARS

cleaner, full flow oil filter, bumper guards front and rear.

The key—and the thrills—are waiting for you.

Why not drop in on us this very week and try the most exciting Buick SPECIAL ever built? We know you'll find it a buy too good to pass up.

Osburn's BUICK Garage  
WEST MAIN ST. (Hwy. 40) TRUCKEE, CALIFORNIA

**NOTICE OF TRUSTEE'S SALE AT PUBLIC AUCTION**

WHEREAS, MICHAEL S. RICHARDS and FLORENCE M. RICHARDS, his wife, Trustees, by Deed of Trust dated August 15, 1951, and recorded August 15, 1951, in Book "163" at page 524 of Official Records, of the County of Nevada, State of California, did grant and convey the premises therein and hereinafter described to H. F. Kirtlan and R. N. Philpot, as Trustees, to secure, among other things, the payment of the Promissory Note executed on August 15, 1951, by Michael S. Richards and Florence M. Richards, for the principal sum of \$16,000.00, together with interest thereon at the rate of 5 per cent per annum, in installments of \$175.00 monthly, such installments to include such interest, and the payment by said Michael S. Richards and Florence M. Richards of all taxes levied against said property, and.

WHEREAS, by an instrument in writing dated February 5, 1953, A. J. Walters and Mary P. Walters, beneficiaries, give notice of the substitution and appointment of INTER-COUNTY TITLE CO., a corporation, as Trustee in the place and stead of H. F. Kirtlan and R. N. Philpot, the trustees in said deed of Trust executed by MICHAEL S. RICHARDS and FLORENCE M. RICHARDS, his wife, to H. F. Kirtlan and R. N. Philpot as trustees for A. J. Walters and MARY P. WALTERS, beneficiaries, dated August 15, 1951, and recorded in the office of the Recorder of Nevada County, California, on August 15, 1951, in Book "163" of Official Records, at page 524, and vesting in said substituted trustee all the right, title, estate, power, duty and trusts conferred by said Deed of Trust upon the trustees therein named, and.

WHEREAS, default has been made under said Deed of Trust and said Note in this:

Trustors have failed to pay:

(a) Interest and principal as follows:

Payment of interest and principal in the sum of \$175.00, due January 15, 1953;

Payment of interest and principal in the sum of \$175.00, due February 15, 1953.

Trustors have failed to pay:

(b) Taxes levied upon the property described in said Deed of Trust, by the County of Nevada, State of California, in the sum of \$960.87, together with accrued penalties and costs in the sum of \$32.63.

Trustors have failed to pay:

(c) Principal and interest upon a certain Promissory Note dated July 18, 1951, executed by Michael S. Richards and Florence M. Richards, his wife, in the principal amount of \$25,000.00, the unpaid balance of said principal amount being \$21,647.62 as of November 1, 1952, the holder thereof being the Bank of America National Trust and Savings Association, Truckee Branch, Truckee, California, the principal and interest installment due and unpaid as of February 1, 1953, being in the sum of not less than \$1,025.00; and said promissory note is secured by a Deed of Trust which is prior to the Deed of Trust referred to first hereinabove.

WHEREAS, the said Deed of Trust dated August 15, 1951, and first referred to hereinabove, provides that if default be made in the payment of any of the sums of principal and interest when due, the owner and holder of said note may declare the whole of the principal and interest thereon immediately due and payable and require the said trustee to sell the property thereby granted; such sale to be made after the holder of said note shall have filed in the office of the County Recorder of the County where the property is situated, a notice of such breach and of election to sell, and three months shall have elapsed from the date of said recording, and.

WHEREAS, A. J. Walters and Mary P. Walters, as owners and holders of said Note dated August 15, 1951, and first referred to hereinabove, did declare default had been made as aforesaid and did declare the whole of the principal and interest immediately due and payable and thereupon on the 20th day of February, 1953, did record in said County Recorder's office, in Book "181", at page 580 of Official Records, due Notice of Breach and of Election to sell the premises hereinafter described to accomplish the objects of the trusts therein expressed;

NOW, THEREFORE, notice is hereby given that by virtue of the authority in it vested by said Deed of Trust, dated August 15, 1951, and referred to first hereinabove, the undersigned will, as Trustee, sell at public auction in the manner provided by law, to the highest bidder, for lawful money of the United States on Monday, the 22nd day of June, 1953 at the hour of 11:00 o'clock, in the forenoon of said day, at the front door of the Court House, in Nevada City, County of Nevada, State of California, all the interest conveyed to and held by the undersigned, as Trustee, by the aforesaid Deed of Trust, dated August 15, 1951, and referred to first hereinabove, in and to all that certain real property set forth therein, situate in

Ex-Officio Clerk of the Board of Supervisors. je18

**RESTRICTIONS FOR FOREST AREA ARE LISTED BY ELLIS**

Forest Supervisor Guerdon Ellis of the Tahoe National Forest announces fire restrictions are now effective and has declared a period of fire hazard and danger to exist upon all lands within the Tahoe National Forest between June 5 and October 31, 1953, inclusive.

Regulations prohibits the building of camp or warming fires without first obtaining a camp fire permit from a forest officer or an authorized campfire permit agent. Smoking is prohibited while traveling on foot, cycle, or domestic animal in the forest.

Smoking is prohibited in areas which, because of extreme fire hazard, are specifically posted to prohibited smoking.

SMOKING IS PERMITTED, as follows: (1) in improved campgrounds, or (2) inside vehicles on roads, or (3) at places of habitation, or (4) while stopped, in a cleared or barren area of at least three feet in diameter, provided, however, that in all instances burning and glowing substances are completely extinguished before being discarded.

The regulation prohibits the throwing or placing of a burning cigarette, cigar, match, pipe heel, firecracker, or any ignited substance in any place where it may start a fire; and the discharging of any kind of fireworks on any portion of a National Forest.

Forest Supervisor Ellis urges all forest users to be extremely careful with fire at all times.

**YUKON RIVER**  
The Yukon River, which flows into the Bering Sea, is approximately 1800 miles long.

**NEW PRESIDENT OF CHRISTIAN SCIENCE CHURCH CHOSEN**

Mrs. Grace F. Cudworth of Boston, Mass., today was named President of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, at the Annual Meeting of The Mother Church attended by Christian Scientists from throughout the world.

Mrs. Cudworth's appointment was announced by The Christian Science Board of Directors. The term of office is for one year.

An active Christian Scientist for almost 50 years, Mrs. Cudworth has been a Christian Science practitioner in Boston—the world headquarters of the Christian Science movement—for more than 40 years.

She is a native of Marquette, Michigan, and grew up in Superior, Wisconsin, where she attended local schools and graduated from the State Teachers' College. She has been a resident of Boston since 1909.

Mrs. Cudworth has served the denomination in a variety of posts, including Superintendent of the Sunday School of The Mother Church, a Christian Science War-time Worker at the Portsmouth, N. H., Naval Prison, and as Second Reader for services held at the Christian Science Benevolent Association Sanatorium at Chestnut Hill, Massachusetts.

**STATE PARKS LIMIT CAMPING TIME**

State Park camping limits have been set at 10 days in Tahoe in Placer County, D. L. Bliss in El Dorado County and 15 day camping limit at Donner in Nevada County, according to Newton B. Drury, chief of the state division of beaches and parks.

This rule will be in force in many parks because of the increasing demands for the facilities.

**ACTION FILED IN COMSTOCK CASE**

AUBURN—Placer County has filed an action to enjoin Harry O. Comstock of Brockway, Lake Tahoe, from obstructing Birch Avenue in the Woodvista Subdivision on the northern shore of Lake Tahoe.

The complaint, filed by the district attorney's office, states Comstock and two John Does are obstructing the street between Tiger and Mashie Avenues.

The court is asked to enjoin further obstruction and assess \$10 per day damages against the defendants.

Meanwhile, in another phase of officialdom, the district attorney's office last Friday ordered Comstock to suspend construction on his new golf club until he agrees to connect the club house with the North Tahoe Public Utility District's sewage system rather than with a septic tank as planned.

**ACTION DELAYED ON SEWER WORK**

Washoe County commissioners of Nevada deferred action on three bids for the construction of sewer lines in the new sewer district at Chrystal Bay, Nevada, because the firms submitted bids which included work to be done on both sides of the Nevada-California state line.

Business men at Lake Tahoe will pay for the project, the Chrystal Bay area will be linked with the North Tahoe Sanitation District disposal plant.

**RUSSIAN HILL PEAK**

The highest point of Russian Hill in San Francisco is at Hyde, Filbert and Greenwich Streets, an elevation of 294 feet.

## SUMMIT SCENE

by FRAN COUILLARD

Ralph and Goldie Rowton proudly journey to Stanford University to watch son Larry receive his master's degree in electrical engineering Sunday afternoon. Larry left the armed services with but two years of high school under his hat. Shortly thereafter Marg Mert on came into the picture and they were married. "Mert," as we call her, with a tremendous educational background, combined her mental forces and emerged in the field of occupational therapy to set up

the O.T. department at the Reno veterans' hospital whilst Larry courted. To have the future these two planned it was necessary for Mert to work hard as Larry studied. And with it all Sunday's degree and fulfillment for these two still shows them home owners and the parents of five weeks old Susan Marie.

Kingvalites Helga and Dunc Gillies, another thirtyish couple with five year old son, Bob, having spent this past week at Kingvale in their little river cottage, left again to return to Stanford also. Duncan will also wave a parch-

ment which shows his attainment in the educational field. Their story closely parallels the Rowton story, except Duncan did not have to reach so far back into the past to pick up his reins of learning. Both of these have a military background—Helga coming home with captain's bars and Duncan a lieutenant's commission. His service included a hitch in Japan where he taught for awhile. All set now, Duncan goes on with his teaching.

Nina Jo and Bill Lowry bid their mountain friends farewell as they accept fellowships at the University of Wisconsin. Nina Jo travels on in her educational search in the field of physics while Bill, formerly with the Central Sierra Snow Lab, carries on in meteorology.

Don Porter, perhaps the better known of all, has been an office boy, bell hop, bartender, bookkeeper and has worked at Donner Summit Lodge, Rainbow Tavern, Soda Springs Hotel and Donner Ski Ranch. Don carries on with his philosophical studies, for he also waves goodbye to his previous careers and re-enters University of California this fall to study for his master's in philosophy—object, teaching this ponderous subject.

An "explorer" of the United States and Canada tells us goodbye for the summer. That is Mrs. Lempi Aro, mother of Edvi Aro. If she gets as much fun out of her trip as from her preparations, we wish we were going with her. Granddaughter, little Lynne Aro, has the edge of farewell sadness taken off somewhat as she starts her "duck farm" with two Chinese ducks, Judy and Rudy, that at present are her delight.

Peggy Travis comes home from her vacation and reopens Beacon Hill coffee shop in time to catch a few Memorial Day fishing season opening customers.

Speaking of the latter, snow on stream banks and blocked roads into the back country lakes wasn't very encouraging to the many fishermen who stopped in the area for the past two weekends.

Unseasonal weather did not daunt Libby and Dr. Jean Stern. This daughter and son in law of famed physician Howard Naffziger traveled up from Santa Monica to spend a few days in The Cedars, ten miles off Highway 40. Car loaded for said vacation, they discovered on arrival that the only accessible path into their beautiful back country home was navigable only on foot, snowshoe or ski. We hustled around, borrowed napsacks, loaded them down and off they went. Saturday A.M. found them back on our doorstep. You'll remember that day had an inch of snow in half an hour, a goodly

splatter of hail and a dash of rain. Libby and Jean weathered it nicely and proudly tell of their "recreation days" which included a 20-mile pack trip.

Down Hampshire Rocks way, the Helgrens (who purchased Cramp-ton's) say to heck with the weather and get on with their building and remodeling program, starting off with tearing down the old wood shed and wash room and modernizing the kitchen.

Donner Summit Lodge ticks off the first of their summer programs for service clubs with the Gridley Lions Club, who came for dinner and stayed for breakfast. Before this reaches the press, the North Sacramento Rotary Club will have said farewell to an unforgettable weekend too.

Maria and Jack Patten return from Carmel where they "parked" little Kim for a short time whilst they continue their work program.

Barbara and Bud Zorich celebrated Bud's birthday last Thursday night with a trip to "town" and dinner. Next week Barbara will be in the little party (that will include us) that drives to Sacramento to the Music Circus and "Kiss Me Kate."

Doris Chaplin short trips to Sacramento to view her new grandson, David McIntosh Lewis (the second child born to the Chaplin's daughter, Beverly.) From Montana return Mr. and Mrs. Jack Woodard of the Ski Ranch with children—middle child, David, minus tonsils.

Our fishing lament mentioned somewhere in our vignettes can be reversed as of now, for as we close Summit Scene, Jim Sherritt uncovers a waxed paper covered mess of beauties that makes us admit it is the most glorious bevy of trout that we have seen in our 12 years of mountain residence. Coyle Jim refuses to reveal his favorite fishing hole.

DONNER AREA FOLKS please note: Don't forget to save your papers, magazines and corrugated boxes for our community club drive. Papers to be tied in separate bundles, magazines to be tied separately, corrugated boxes to flat-tened and tied separately. Ralph Rowton of the Soda Springs service station states that his garage is available for storage until the amount that is needed for a full carload is accumulated. Scrap iron (to be piled at Cisco) is also being solicited by your club. What a chance for a good "clean up" and every bit of it is saleable and wanted by YOUR COMMUNITY CLUB!

Christmas Atoll has a lagoon area of 89 square miles and a land area of 184 square miles.

## LAKE LEVEL RISES, 15 GATES OPEN; MERCURY HIGHER

TAHOE CITY.—The level of Lake Tahoe rose .08 of a foot during the week ended Monday, June 15, at 8 a.m., according to A. E. Frodenberg, official observer. On 91 a.m. a.m. 8.00 a.m. 8.00 a.m. outlet gates open, compared with 12 the week before. The lake level on the 15th was 6228.82 feet above sea level.

There has been .62 of an inch precipitation recorded since June 1 on seven separate occasions. Daytime temperatures since the first have risen slightly, although nights continue brisk. Daily high and low temperatures for the first two weeks of June were June 1st: 45, 35; 2nd: 55, 30; 3rd: 59, 30; 4th: 58, 32; 5th: 60, 30; 6th: 53, 38; 7th: 49, 38; 8th: 53, 28; 9th: 55, 34; 10th: 54, 29; 11th: 62, 41; 12th: 52, 37; 13th: 65, 28; 14th: 59, 29; 15th: low, 35.

## BILL BEERS QUILTS AS LAKE OFFICER

Deputy Sheriff Bill Beers of Crystal Bay has resigned from the Washoe County sheriff's office and relinquished his duties this week. Sheriff Bud Young expressed regret at accepting the resignation and said "Deputy Beers has always been a very faithful employee."

Beers was first appointed by Sheriff Ray Root and for many years had been in charge of the Washoe County sheriff's sub-station at Lake Tahoe. During his service, he figured in many criminal cases and played many important roles in wintertime rescues in the snow bound area.

Beers and his wife plan to move to Carson City some time before July 1.

## Swanee's Letter

Tahoe City, June 14  
Dear Tahoeites:  
This is Sunday and the nicest

day we have had since our return from the Carmel area—only hope it continues. Bridal wreath, wye-thia and chokecherry are in bloom along the sunny banks of the Fa-

rad district, so summer cannot be far away now.

One of Tahoe City's more popular restaurants is opening for the season Thursday evening, June 18, and this year, due to installation of air conditioning and a new heating system, will remain open until late September. It is the Swedish Farm House where the atmosphere of old Sweden is maintained and even the waitresses wear copies of original Swedish costumes. This year three lovely young ladies have been engaged by Don and Margit Del Carlo, all University of California blondes. They are Norwegian Carol Olsen, Swedish Claire Hanson and Finnish Mary Pinoneimi. All popular Swedish dishes will be featured as well as American. Mrs. Helga Olander of the bay district is arriving soon to enjoy a visit with her daughter and family, the Del Carlos, and brother Carl Olander, former owner-manager of Forest Inn, will serve as chef this season at the popular eatery.

I think the program advanced by members of the Tahoe City Volunteer Fire Department and their chairman Bill Becholdt is an excellent one and hope the resorts, business houses and residents will

get behind the gigantic fireworks display planned for Tahoe City on the 4th of July so it will go over with a "Bang!" The boys are now soliciting funds with which to purchase the makings for one of the grandest shows ever seen on Tahoe's shores, which they hope to make an annual event. Some extra skits are being planned for good measure and water skiers will entertain, if present plants materialize. The Tahoe City commons will be the scene of the party and everyone is invited. Anyone wishing to mail a contribution may address it to the Tahoe City Volunteer Fire Department. All remittances will be welcomed.

The cheery and efficient voices heard from Tahoe City's telephone switchboard belong to the following young ladies who comprise the summer crew: Mrs. Florence Williams, Reno, day chief operator; Miss Donna Mae Nash, Fairfield, night chief operator; Dolores Reynolds, Stockton; Emma Scharli and Virginia Sarina, Modesto; Darlene Huffman, Phyllis Young, Tracy; Dorothy Absher, Fresno; Vivian Ring and Gloria Arevalo, Lodi; Mrs. Joyce Waters, Reno; Mrs. Lucille Mustul, Tahoe City.

Am grateful to Mrs. Charles Warner of Tahoe City this week for a letter with information about her father's latest book. It is called "Inorganic Chromatography" and describes in details a systematic plan of inorganic analysis by chromatographic methods of metals. Orsino C. Smith, Diana's dad, is superintendent of Vinvale refinery for Richfield Oil and vice president of the Pacific Mineral Society. He and Mrs. Smith are quite well known locally, visiting here to help celebrate the first birthday of one-year-old Denny Warner on May 29.

A new Sierra Sun advertiser this week is Tom Tostenson, manager of Bud Scott's Union Oil station at Cal-NevNa. Tostenson, a former Air Force troop carrier, got his first glimpse of Lake Tahoe in 1947-48 when he flew cargo planes from Texas to Alaska. The boys on the run called Tahoe the "ink well" because from the great altitude at which they viewed it it looked exactly like a deep blue ink well. He was so intrigued with its beauty and majestic setting that he vowed that once out of the service he would make his home here and he now has. He came to the region in February for a month of relaxation and skiing, remained all winter and hopes to maintain a steady residence here from now on. He invites everyone to patronize his Cal-NevNa Union station, open 24 hours each day.

Mrs. Beccy Shontz and Mrs. Pat Scott left Sunday for a visit in the bay area. They were accompanied by Miss Sharon Vickery, who has been their house guest, returning to her Woodland home. Last Thursday evening the Bud Scotts gave a cocktail party in her honor, the occasion being her birthday. The William Bechdolds, the Jay Shontzes, the Scotts and Miss Vickery then left for Reno where the group enjoyed dinner

## TAHOE FIREMEN PLAN ELABORATE 4TH FIREWORKS

TAHOE CITY—Bill Becholdt of Tahoe Inn announces to the public that the Tahoe City Volunteer Fire Department is planning an elaborate aerial display of a one-to-two-hour length to be held along the Tahoe City Commons on the evening of the Fourth of July.

Bill, who is chairman of the fireworks committee, says the celebration will start at 9 p.m. July 4 and is planned to be the biggest and best aerial display ever shown at the lake. Fire department members are contacting business heads and other public minded citizens throughout the vicinity and they say that any contribution to the considerable expense will be most welcome. (ejv)

## FISHING BETTER AS WEATHER AT LAKE IMPROVES

TAHOE CITY—Ideal weather at last—the first since May 2—has brought fishing back to near normal on Lake Tahoe, its tributaries and the Truckee River.

From the lake, Richard Breuner Jr. of Oakland brought in two German brown totaling 11 pounds in weight. Also from the lake Mary Zunino, P. F. Weislef, Nat Quilici and Carl Painter of Truckee all brought in limits on the weekend. Pete Riesoni of Reno claimed the largest fish caught this month—a 12½ pound mackinaw. George Terry of Mather Air Force Base hooked a rainbow and mackinaw weighing a total of eight pounds in waters off from Tahoe City shores.

The best stream fishing report comes from Perry E. Long of Tahoe Park. Long took a nice limit from McKinney Creek, the largest a 20-inch rainbow, and a second limit from Meeks Creek, the largest of this catch being a 16-inch brook trout. (ejv)

## ADVERTISING DOESN'T COST—IT PAYS!

Mr. and Mrs. James D. Baker, former Tahoe City residents who have been residing in Ceres, were visitors at their Fairway Drive home in town for several days. They left Monday but plan to return to the lake within a week to remain for the season. They were accompanied by their little daughter, Yvonne Marie.

Recent prominent guests at Sanford's Town and Country south of Tahoe City included Major and Mrs. W. R. Barden of Camp Beale; Senator and Mrs. Harry L. Parkman of San Mateo, who spent part of their honeymoon here, following their marriage in Reno. Over Friday and Saturday 21 Mather Field Air Force men were guests. Mr. and Mrs. B. K. Boyce of Florida were guests for several weeks. Adios and the best of good wishes to all, as ever, Swanee.

## SEWER WORK BIDS AGAIN ARE ASKED BY LAKE P. U. D.

TAHOE CITY—Swift progress was seen during the past week in the maturing of plans for Tahoe City's long delayed sewer system. Directors of the Tahoe City Public Utility District called for bids on the construction work last Thursday, which bids will be opened on July 8. C. W. Vernon, president of the district, said that bids on the \$97,000 in obligation bonds will be called for soon, probably soon, probably soon enough for these bids to be opened with construction bids.

The project, estimated to cost \$126,000, including engineering and attorney fees, is to be financed by the obligation bonds plus \$29,000 in revenue bonds. All the bonds were voted last year but the bids called in at that time were higher than the estimated cost, and had to be rejected along with bids for sale of bonds.

Since then revisions and deletions in the treatment plant to lower the cost have been approved by the state water pollution control board which assures the purchase of revenue bonds. (ejv)

## On Jury Duty—

Hank Slade of Lake Tahoe has been called to the county seat for jury duty on Monday, June 22.

## Up from Hemet—

D. B. Robinson, who has been living at Hemet, returned to Meeks Bay for the season this week.

## EARLY CAPITAL

San Jose was named the capital of California Nov. 13, 1849.

## WOMEN'S CLUB TO HEAR CONSTABLE

TAHOE CITY—The Women's Club of Tahoe will hold a meeting this Thursday, June 18, at Tahoe Inn. Following luncheon, there will be a business meeting with Mrs. Alma Guth presiding. Guest speaker for the afternoon will be Constable Harry Johanson. The constable is chairman of the cemetery improvement committee and will speak at this time on the work being done there and on the subject of delinquency among children. (ejv)

## NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

June 17, 1953  
To Whom it May Concern:  
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:  
Donner Lake, SS Hwy. 40, 3 mi. W. of Truckee.  
Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

ON SALE BEER  
Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

### FIRE TRAINING SCHOOL JUNE 22

The annual fire training session for new and old employees of the Tahoe National Forest has been set for June 22 and will continue the entire week, according to Keith Macdonald, fire control officer.

Participants will live under field fire conditions in a camp to be located in Bear Valley. Ranger Max Williamson of the Big Bend district will be in charge of the camp operations.

The session will include training in the operation of fire fighting tools and equipment, fire line construction, principles of fire behavior and fire maneuvers. Training of lookouts in detection techniques will also be covered.

**FOR RENT—** House. Phone Truckee 156.

### TRANSFER MADE IN TAHOE FOREST

Guerdon Ellis, supervisor of the Tahoe National Forest, announces the transfer of Ranger Francis R. Sodoski of the Sierraville District to the position of district ranger, North Bloomfield District. Sodoski will replace Hobart I. Snider who retired from the forest service on May 31 after 33 years of service.

Sodoski is a graduate of the University of California, majoring in forestry. He was first assigned to the Black Hills National Forest in South Dakota in January, 1937. He served on the Medicine Bow and Pike National Forests and was transferred to the Tahoe National Forest in June, 1950. He has been on the Sierraville District since that date.

**From South—**  
Mrs. L. D. Nelson and son Douglas of San Diego visited Mr. and Mrs. William Gautsche this week.  
**At Valley Springs—**  
Rev. Marvin Quattlebaum, formerly pastor of the Methodist Church at Truckee, is now located at Valley Springs.  
**Weekend Guest—**  
Mrs. Wally Gelatt of San Francisco will be a weekend guest of Mrs. J. H. Bernard. Mrs. Gelatt lived at Donner Lake with her late husband years ago.

### ACTION FILED IN DONNER SUMMIT LODGE DISPUTE

**NEVADA CITY—** The Donner Summit Company, Inc., owner of Donner Summit Lodge, has filed suit for about \$145,000 in Nevada County superior court against John and Harold Houtman and Bert Marvich.

The complaint says that on October 15 the corporation turned over the operation of the resort to John Houtman, a corporation director, by naming him managing director. At that time the place had an inventory of liquors, food and other supplies worth \$3,511.58, it is stated.

Houtman failed to give monthly profit and loss statements or monthly balance sheets, as required, the complaint continues. With Harold Houtman and Marvich, he allegedly operated the lodge until the evening of January 11 without turning any money over to the corporation, then departed the premises leaving an inventory of "less than \$500." Meantime on November 22, the company through William Rutherford, J. R. Horak and Thomas Donadio had entered into a written contract with John Houtman and Marvich for the sale of corporate stock, the complaint adds.

Under the agreement, the plaintiff says, Houtman and Marvich agreed to:

1. Convey to the San Francisco Board of Trade some lots in Tahoe Island Park on Lake Tahoe, with full title insurance, in satisfaction

### CARNIVAL SHOW TO ARRIVE HERE

Liberty Shows will begin a six-days engagement here next Tuesday, according to an announcement elsewhere in the Sierra Sun today. The games and rides will be set up a mile or so west of Truckee on Highway 40. The show will begin nightly at 6:30 p.m., with matinees Saturday and Sunday at 1 p.m.

The show is currently completing an engagement at Grass Valley under the auspices of the American Legion post there, and will go from Truckee to Reno where it will be located on the 4th of July holiday.

**From City—**  
William F. Bailey, who has been in San Francisco, has changed his address to Truckee.

of \$28,506.02 claims against the company by certain creditors.

2. Pay \$19,199.67 of claims by other unsecured creditors.

3. Take over and pay the company's indebtedness to the Placer County Bank, now amounting to about \$62,500.

4. Pay the company's \$31,872.41 obligation to John and A. J. Flagg. Since the contract was made, the complaint declares, the defendants have made none of these payments except \$1,132 to the Flaggs. The petitioner asks that the defendants be ordered to pay off the obligations listed and account to the hotel for operations while John Houtman was managing director.

### JOHNSON BILL FOR HIGHWAY TO GOVERNOR

**SACRAMENTO—** The state assembly on the eve of its recent adjournment passed the Sierra highway bill, authored by Senator Harold Johnson of Roseville, establishing a matching fund to be met by the federal government for construction of an all-weather four-lane military highway over the central Sierra mountains. The measure is now before Governor Earl Warren for his signature or veto.

Though designating no particular route, most observers have long felt that U. S. Highway 40 would be the logical choice.

The bill was introduced by Senator Johnson on May 18 and referred to the senate transportation committee. The committee recommended a "do pass" after six minutes consideration. The senate then referred it to the finance committee which also gave a favorable recommendation.

After passage by the senate, the bill was referred to the assembly committee on conservation, planning and public works, which also recommended "do pass." After two hearings on the assembly floor the bill was referred to the ways and means committee which added its endorsement.

In its final form the bill calls for \$20,000,000 in state funds to be construction of the trans-Sierra highway. The money would be expended only if the federal government matched the funds and to be spent over a five-year period. Amendments to the bill stipulate that the federal allocation must be in addition to regular federal road aid allocations.

### Graduates—

Miss Sarah Frances Davis, daughter of Mrs. Lucille Davis, is spending the summer here with her mother, following her graduation from Cloverdale High School on June 12. Sarah plans to enter a hospital school for nurse's training in the fall.

**Attends Graduation—**  
John Magnetti attended the graduation of his daughter, Miss Joan Magnetti, from the high school at Fairfield on June 12.

**Birthday Today—**  
Mrs. James Walker is observing her birthday today, June 18.

**Salvaterra Birthday—**  
Vic Salvaterra will celebrate his birthday June 20. He recently returned home from the Tahoe Forest Hospital where he recuperated after breaking his leg.

**Business Visitor—**  
Gail Gordon of Grass Valley, AFL carpenters' union official, was a business visitor here Monday.

**See Buells—**  
During a recent trip, Mr. and Mrs. O. Alexander and daughter, Patty, visited Mr. and Mrs. T. T. Buell at Grass Valley.

**Leaving for Europe—**  
Miss Virginia Angelo of Clarksburg plans to leave for a European trip next week. Miss Angelo formerly taught school in Truckee.

### PROPERTY TAX RATE SOARS IN PAST TEN YEARS

Property taxes in Nevada County this year average \$43.79 per \$1,000 of taxable value of property in the county, compared with \$25.98 per \$1,000 of valuation ten years ago, in 1943-44, California Taxpayers' Association reports.

Of the \$43.79 average levy per \$1,000 of assessed valuation in the county this year, \$20.14 or 46 per cent is for county government, \$4.82 or 11 per cent is for the cities of the county, \$17.95 or 41 per cent is for the public school districts and 88 cents or two per cent is for special districts.

Statewide, property taxes for 1952-53 average \$58.37 per \$1,000 of taxable valuation of property, compared with \$39.76 per \$1,000

for 1943-44, ten years ago.

Out of this year's \$58.37 average levy of property taxes per \$1,000 of taxable value in California counties, \$20.43 or 35 per cent for general county government purposes; \$9.34 or 16 per cent for the cities in California; \$24.52 or 42 per cent for public school districts and \$4.08 or 7 per cent for special districts.

In most communities the local governing boards—the county supervisors, city councilmen, school trustees, special district directors—are already making spending plans for 1953-54—plans which will directly affect the local property tax bill for next year, the taxpayers' association said.

"If local taxpayers think their taxes are too high, they should let their elected local officials know about it now, before it is too late," the association declared. "Higher taxes this fall will not usually be calmly accepted."

# Tarzan

by EDGAR RICE BURROUGHS

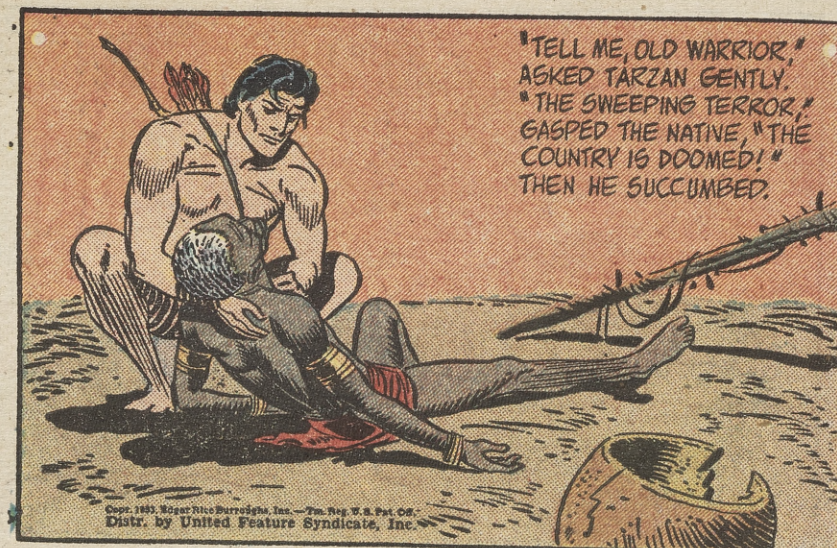

SADAR AND HIS MONGOL FORCES CONTINUED TO SWEEP THROUGH, ABSORB SMALL CONGO TRIBES. EACH ATTACK BROUGHT A NEW VICTORY--AND THE KHAN WAS THE MOST ENTHUSIASTIC CELEBRANT.

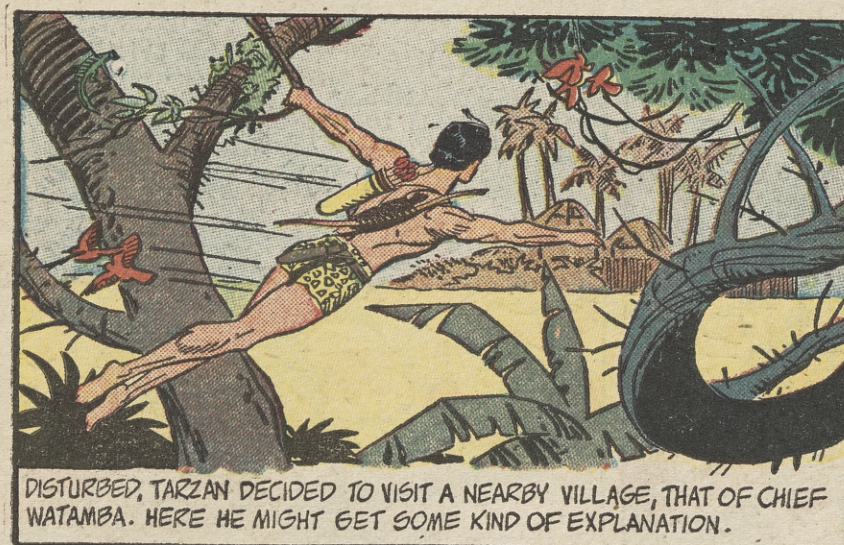

ONE DAY, HOWEVER, TARZAN ARRIVED AT THE STRICKEN TERRITORY--AND SOON HEARD THUNDERING HOOFEATS. DUST ROSE FROM THE PLAINS, AND THEN A NATIVE VILLAGE BURST INTO FLAMING DESTRUCTION!

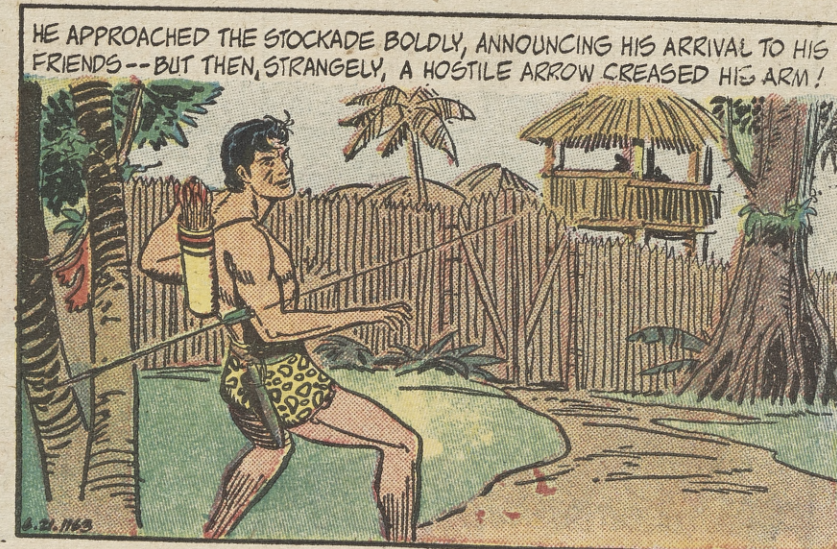

NOW AN AGED SURVIVOR STAGGERED FROM THE BURNING PYRE, SCREAMING IN AGONY. THE APE-MAN RUSHED TO HIS AID.

"TELL ME, OLD WARRIOR," ASKED TARZAN GENTLY. "THE SWEEPING TERROR," GASPED THE NATIVE. "THE COUNTRY IS DOOMED!" THEN HE SUCCUMBED.

DISTURBED, TARZAN DECIDED TO VISIT A NEARBY VILLAGE, THAT OF CHIEF WATAMBA. HERE HE MIGHT GET SOME KIND OF EXPLANATION.

HE APPROACHED THE STOCKADE BOLDLY, ANNOUNCING HIS ARRIVAL TO HIS FRIENDS--BUT THEN, STRANGELY, A HOSTILE ARROW CREASED HIS ARM!
